Real Korean flavor, ready to cook

Buyer proposal for KOREHAN Korean sauces, 2026

We started in a restaurant

KOREHAN began at Dawon Natural Galbi, a restaurant in Daegu, Korea, with its doenjang jjigae and galbi.

Owner Kim Ju-ryeon was named a Korean Cuisine Master in 2026. KOREHAN turns that kitchen's flavor into sauces anyone can cook with.

Why buyers choose KOREHAN

A master's recipe

Built on a working Korean restaurant kitchen, led by a Korean Cuisine Master.

Easy to use

Prepare the ingredients and the sauce handles the seasoning. Instructions in Korean and English.

One shelf, many dishes

Each sauce covers four or more dishes, so three products cover a wide Korean menu.

Packaging

Three-sauce gift set

Export master carton

Design concepts. Final packaging is confirmed before production.
